

SPRING 2024 - Important Dates for Graduate Students

- Friday, Feb 2nd** Submissions are due for the **Application for the Comprehensive Exam; Application for the Master's Project; Thesis Defense Form** or **Dissertation Defense Form** to the College of Graduate Studies' [Portal](#). (Persons writing and defending a thesis/dissertation this semester should have submitted their topic forms the semester prior to defending.)
- Friday, Feb 23rd** Submissions are due for the **Graduate/Doctoral Application for Graduation**. Students will submit their Application for Graduation directly to the Registrar's Office.
- (NOTE: If the student misses the deadline to submit your application to the Registrar's Office, they will have to submit the application to the College of Graduate Studies with all signatures (except the COGS Dean) and the third page completed. Use the [COGS Submission link](#) to submit. Remember, this is ONLY if you miss the February 23rd deadline.)**
- Friday, Apr 5th** Last day to **orally defend** Thesis/Dissertation or present the Master's project or administer the departmental oral/writing Comprehensive Exam.
- Friday, Apr 12th** Submissions due for the **FINAL Program Data Card** and **Curriculum Audit** to the College of Graduate Studies' [Portal](#).
- Friday, Apr 26th** Submissions are due for written Theses or Dissertations **via [ProQuest](#) (www.etsadmin.com)**. *Please schedule thesis or dissertation defense early enough to allow time to complete the written documents, as well as, allow time for the COGS office to review submissions for formatting.*
