VIRGINIA STATE UNIVERSITY

HOMEFRONT READJUSTMENT

for the ARMED FORCES CERTIFICATE PROGRAM

VSU now offers the first and only military cultural competency certification offered at a University in the Commonwealth of Virginia.

The online Homefront Readjustment *for the* Armed Forces Certificate program is designed to teach students how to interact with active-duty service members, veterans, and their families with consideration for the military culture and sensitivities.

The program is created, designed, and taught by professors who are veterans of the Iraq and Afghanistan War and are practicing licensed social workers and clinical psychotherapist.

The program meets the needs of the our community, as Virginia has the second largest active duty military population in the country.
