

**2018 PATHWAYS INTERN PROGRAM FOR SUMMER HIRES**

**OPEN 29 NOVEMBER - 6 DECEMBER 2017**

**FLEET READINESS CENTER (FRC) EAST  
RESEARCH AND ENGINEERING GROUP  
Cherry Point, North Carolina**

We are accepting applicant resumes for 2018 summer internships from students pursuing a Professional Engineering Degree. Participant may begin work at the end of the school year (typically mid-May) and work throughout the year during holidays and spring break. Intern positions may be converted to permanent positions upon completion of engineering degree. Salary is based on student status, experience and GPA levels.

**REQUIREMENTS: MUST BE IN A STUDENT STATUS & AT LEAST 18 YEARS OF AGE PRIOR TO START DATE**

**DEFINITION of Student Status:**

- Graduating High School Senior accepted or enrolled in an accredited engineering program in College
- Current College Student enrolled in an accredited engineering program

**HOW TO APPLY:**

Submit your Resume, Current Unofficial Transcripts and Proof of Current Enrollment via the USA Jobs website @ [www.usajobs.gov](http://www.usajobs.gov). Currently enrolled in Bachelor's program or enrolled in Master's Program, search and apply to announcement number:

(GS-0899-02/03): <https://www.usajobs.gov/GetJob/ViewDetails/485330300>  
(As of May 2018, must be High School Graduate for GS-02 and 1 year of engineering study in college for GS-03)

GS-0899-04/05): <https://www.usajobs.gov/GetJob/ViewDetails/484781100>  
(As of May 2018, must have 2 or more years of engineering study in college)

For individuals applying at the GS-03/04/05 level, this will be a two-step process. Once the announcement opens, after applying on USA Jobs, you will receive an email link from USA hire and will follow the link to complete an online assessment.
