

THE Young People's Project

Feb. 12, 2008

Dear Parent(s), Guardian(s), Educators and Community Members:

The middle school and high school children of The Young People's Project (YPP) would like to invite you to the year's most exciting event. For the past few months, YPP has been working closely with your children with action and compassion. We have assisted Petersburg school efforts, aimed at preparing them for improving their performance on their Mathematics Standards of Learning exams (SOLs). We have also provided them with positive, fun-filled and productive experiences with mathematics aimed at raising their mathematics self esteem, improving their attitude about mathematics and enriching their mathematical potential -- the key ingredients for building a culture of excellence.

Please come out and support the children of Petersburg as they host a variety of mathematics activities and provide live entertainment around the work they have done. They will be holding a Family Math Night at **Vernon Johns Middle School's Dining Hall, Friday, February 22, 2008 at 6:00 PM**. We would greatly appreciate your attendance so please detach the form below and give it to your child or R.S.V.P. to **Lynell Mitchell**: (804) 524-6999. You may also send an email RSVP to Lmitchel@typp.org. Dinner and refreshments will be served courtesy of the Petersburg Chamber of Commerce.

Sincerely,

Lynell Mitchell, Director
The Young People's Project

Yes I _____ (your name) will attend YPP Family Math Night on Friday February 22 at 6:00 pm, at Vernon Johns Middle School.

This event is made possible through the generous sponsorship of the Petersburg Chamber of Commerce, Dominion Educational Partnerships, the City of Petersburg, Virginia State University, and above all, the Petersburg City Public Schools. Thank you!
