Summer Internship Opportunity....

If you’re ready to be a part of a great team in the credit union industry for a summer internship, make your move to VSU Federal Credit Union. We are a 76 year old financial services organization serving the needs of VSU and the surrounding community. The intern will be paid an hourly rate of $12.00.

To qualify for this summer internship, you must have strong written and verbal communication skills, customer service related experiences and the ability to learn new information in a fast-paced environment. This internship opportunity is available for rising seniors, juniors or sophomores. All majors may apply with an interest in working in the credit union or financial services industry.

Don’t miss out on this limited internship opportunity. Please send your resumes via email to:
