

Virginia State University | Summer Transition Enrichment Program (STEP) 2024 June 17 – July 19, 2024

VSU STEP is an on campus experience to incoming freshmen students.

What is the Summer Transition and Enrichment Program (STEP)?

Virginia State University's Summer Transition and Enrichment Program is designed to help students who have selected Engineering, Engineering Technology, Computer Science or Mathematics major and who have been accepted to VSU. This program gives students a head start on undergraduate degrees and exposing them to college life.

What are the Program Objectives?

There are three major objectives for the Summer Enrichment Program:

- To expose students to undergraduate research .
- To help students develop problem-solving skills and give them the opportunity to use these skills on realistic problems.
- To enhance students' abilities to use technology in the discipline and in general.

What are the eligibility criteria?

The minimum requirements for selection are:

- A stated desire to pursue an Engineering, Engineering Technology, Computer Science or Mathematics college major.
- Students has been accepted and confirmed admission to VSU for Fall 2024.

Program Dates:

June 17 —July 19, 2024
Monday—Friday Time: TBD

The HBCU UP STEP Program will provide:

- Free Tuition for the 2-courses offered
 - Courses: TBD
- Free Housing and Meals
