	Restricted Elective	<u>-</u>	<u>3</u>	<u>3</u>
		15	15	30

All teacher education candidates must pass Praxis I, the teacher education assessment test, before being admitted into the Teacher Education Program. Praxis I should be taken and passed before the candidates' junior year. It is strongly recommended that students enroll in EDRC 200, Analytical Reading and Reasoning, which is designed to help candidates pass Praxis I.

All teacher education candidates must pass Praxis II, the teacher education assessment test *in the candidate's endorsement area*, before being admitted to student teaching. Candidates who have not passed Praxis II will not be permitted to student teach.
