AN INVITATION TO TRANSFER STUDENTS

BUILDING A BETTER WORLD VSU
If you are advancing from an associate’s degree or transitioning from a four-year program, Virginia State University provides the foundations — the programs, facilities, faculty, and community — to prepare you to succeed.

Thousands of success stories begin at Virginia State University. As the nation’s first state-supported, historically Black university, this is where generations of the best and the brightest have begun their journeys toward the future.

TRANSFER TO VIRGINIA STATE UNIVERSITY
An extraordinary spirit of innovation and service shines at VSU through exceptional academic programs, experiential learning opportunities, state-of-the-art facilities, and a faculty of scholars at the forefront of their fields.

Across every academic discipline, VSU students acquire the intelligence and skills to serve society in meaningful ways. Our graduates are making the world a better place every day — educating, defending justice and fueling the global economy — in classrooms, courtrooms, and corporate boardrooms worldwide.
MAKE A SMOOTH TRANSITION

Virginia State University welcomes new transfer students year round. We make every effort to ensure that transfer students receive full credit for all course work successfully completed at other institutions.

TRANSFER REQUIREMENTS

A cumulative average of 2.0 or above for previous college-level studies from an accredited college or university is required.

If you’ve earned an associate degree at any of the schools with which VSU maintains an articulation agreement, you have satisfied the University’s General Education requirements and will be admitted to VSU as a junior. (For a complete list, visit www.vsu.edu.)

Applicants transferring from a Virginia community college or Richard Bland College, who completed the requirements for the Associate in Arts (A.A.) or Associate in Science (A.S.) degree in the College Parallel/College Transfer Program may be admitted as juniors. Applicants who have not completed the requirements for an Associates of Arts/Science degree and those holding an Associates in Applied Science (A.A.S.) degree may be admitted based on a course-by-course credit evaluation.

To apply for transfer to VSU, please submit:
• Completed application
• $25 non refundable application fee
• Official transcripts from all colleges or universities attended
• Confidential Report to be completed by the last college/university attended
• SAT/ACT scores, if applicable
• High school transcript, if applicable

Deadlines: November 1st for Spring; July 15th for Fall.

APPLY ONLINE

Apply online or download an application at http://www.vsu.edu/admissions/apply/

VSU WELCOMES MILITARY PERSONNEL

Veterans of the Armed Forces and active-duty personnel and their family members enjoy VSU’s location near the Fort Lee Military base, as well as our proximity to Richmond and Washington, D.C.
GETTING ORIENTED

The Transfer Office sponsors orientation sessions to help transfer students make a smooth and easy transition to VSU life. Meet our faculty and staff, as well as current students, and learn important details about academic requirements, course registration, and student life.

FINANCIAL AID & SCHOLARSHIPS
VSU offers affordable tuition and many options to help you finance college, including loans and scholarships. Contact the Office of Financial Aid for more information at www.vsu.edu/financial-aid.

BE ADVISED
Transfer students enjoy the benefit of one-on-one guidance from a faculty member in your major field of study. Our Office of Career Services also helps students identify opportunities for internships and employment and support services to prepare you for a successful entrance to your career.

CONVENIENT LOCATION, SUBURBAN CAMPUS
Virginia State University is located in historic Chesterfield County, directly across the Appomattox River from Petersburg, Virginia. We are 25 miles south of Richmond and easy driving distance of Washington, D.C., Raleigh, and Roanoke. VSU is also easily accessible by all means of transit.

Enjoy a traditional college experience on a spacious 236-acre suburban campus, in residence halls that feature the comforts of home, and many opportunities to make friends and explore your interests through clubs and activities.
Contact VSU’s Transfer Office today to learn more about how you can join our community and advance in your academic and professional career. We look forward to welcoming you to campus!
