Virginia State University ranked 16th overall in the U.S. News and World Report's 2024 rankings. VSU is the first Historically Black College or University (HBCU) ever selected to host a national debate. VSU announced its highest enrollment of first-year students in school history. In the fall of 2023, Virginia State University, located in the Commonwealth of Virginia, announced its highest year-to-year enrollment growth in school history. With an enrollment of approximately 14,000, this is the highest year-to-year enrollment increase of any college in the Commonwealth of Virginia. It is also believed to be one of the highest increases in the country.

Council of Higher Education for Virginia, this is the highest year-to-year enrollment increase of any college in the state. The episode included performances from the marching band, which took another step toward going green and expanding its effort for a cleaner campus by utilizing compactor units that can compact up to five times the capacity of current waste receptacles. Each compactor is colorfully wrapped in VSU branding and features a foot pedal to operate the door.

The VSU Brand • Financial/Operational Effectiveness • The Holistic Experience for Students • Enhancing the Land Grant Mission of the University • Career Growth • Enrollment
