2026 Summer School Application

Deadline to submit Summer School Application is May 29, 2026

This request for Financial Aid applies to the Summer 2026 Sessions ONLY!

***VERY IMPORTANT*:** If you have remaining eligibility from the current academic year, you **may** be allowed to use your financial aid to pay for summer school. **For example, a student who received loans in the Fall 2025/Spring 2026 terms and borrowed all of their federal loan eligibility, will not have any loan funds remaining for summer school 2026; however, year-round Pell grant may be available to you based on eligibility and criteria.**

Important Facts about Summer Session:

Please check each box, indicating that you have read and understand each statement:

- ☐ **Students are required to have completed the 2025-2026 Free Application for Federal Student Aid (FAFSA) prior to the first day of summer classes, in order to receive summer financial aid.**
- ☐ **Regardless of the amount of financial aid awarded, students are still responsible for the remainder of the summer session bill.**
- ☐ **You may access your award after May 15, 2026, via Banner 9 Self-service. You will need to accept any aid that is offered before it can be applied to your bill/student account. Please check your VSU email frequently for updates.**
- ☐ **If you are offered Pell Grant funds for summer 2026, please keep in mind that the semester goes toward your Pell Grant Eligibility Used. A student can use Pell Grant Funds for 12 semesters; summer counts as 1 of the 12.**
- ☐ **You must be enrolled in 6.0 credit hours for federal loans. If a class is dropped or canceled, it is the students' responsibility to enroll in another class for the summer session or be prepared to pay out-of-pocket.**
- ☐ **You must be in good academic standing with SAP (Satisfactory Academic Progress), to receive financial aid during the summer sessions.**
- ☐ **SAP will be processed at the end of summer sessions for students enrolled; this may affect a student's Fall 2026 financial aid status.**
- ☐ **If you do not qualify for financial aid, the cost is considered out of pocket, and you will need to make payment arrangements with the Student Accounts Office. It is your responsibility to drop the class(es) to avoid charges.**

Student Affirmation:

I have read and understand the above information. If a class is dropped or canceled, it is my responsibility to enroll in another class for the summer session. **I understand that submitting this application does not guarantee I will receive financial aid.** I understand that my financial aid may be canceled or adjusted if federal, state and/or institutional regulations are not met. If this occurs, I'm responsible for immediate payment of any balance created as a result of the cancellation or adjustment.
