Please complete the attached Doctoral Application for Graduation and return to the Office of the Registrar.

NOTE: Deadlines to submit Applications for Graduation to the Registrar's Office can be found on the Academic calendar.

DEGREE REQUIREMENTS

You are expected to be aware of all graduation requirements and to take appropriate action to successfully complete them prior to your expected graduation date. To be eligible for graduation, Doctoral students must meet all degree requirements as outlined in the University Catalog and your departmental curriculum guide, and file an application for graduation by the published deadlines.

Consult your departmental advisor regarding your specific degree requirements. All degree requirements must be completed by the last day of final examinations of the semester in which you intend to graduate. Your department and the College of Graduate Studies are responsible for clearing you for graduation and certifying to the Office of the Registrar that requirements have been met. We encourage you to consult your academic advisor PRIOR TO your final semester to ensure that you will meet all degree requirements as you expect. **Please ensure that you are aware of all important dates as outlined by the College of Graduate Studies.**
