Thurs April 28, 2022	Tue May 17, 2022	2:00 PM	Virtual

NOTES:

<p>In the event the IRB receives an overflow of research protocols it will be necessary for the committee to meet another day to complete the review process of the overflow protocols.</p>
<p>Do not leave items blank in the Submission Form. Please provide the Board with any surveys, fliers, or other written communication to subjects. Failure to do so may result in a delay in the review process.</p>
<p>Research may not begin until you have received approval from the IRB. At the same time, research shall not continue beyond a stated continuing review date or one year from the date of final approval.</p>
<p>Dates for summer review/meetings have not been established.</p>
