

Purpose of This Advising Worksheet

This advising worksheet is your **official academic planning document** and serves as the primary guide for course completion, progression, and graduation requirements within the Department of Social Work.

The advising worksheet is developed collaboratively between you and your **Success Team** to ensure you remain on track for graduation. Students are expected to use this document as their primary reference when planning registration and making academic decisions.

Student Responsibilities

By receiving and using this advising worksheet, you acknowledge and agree that:

- You are expected to **follow the course sequence and recommendations** outlined in this document.
 - You will **review your advising worksheet every semester** prior to registration.
 - Any course changes, substitutions, or enrollment adjustments **must be discussed and approved by your Success Team before changes are made.**
 - You are responsible for actively monitoring your degree progress and communicating questions or concerns early.
-

Important Notice

Failure to follow the advising worksheet, or making course changes without consultation and approval from your Success Team, may result in:

- Delayed graduation
- Enrollment in unnecessary, duplicate, or non-applicable coursework
- Ineligibility to participate in commencement as planned

Students are strongly encouraged to seek guidance early to avoid avoidable delays in progression or graduation.

Your Success Team

Your Success Team is committed to supporting your academic planning, field education progression, and overall success in the Department of Social Work. Your team is available to assist you with questions, concerns, and planning decisions to help ensure successful and timely degree completion.
