H: Drive Mapping; Instructions on the process/procedure for users needing to configure connectivity to their H: Drive.

Configuring the H: Drive Connection

VSU user's may encounter H: Drive disconnection when using the Pulse Secure VPN connection. The following instructions detail how to manually set-up your H: Drive connection via your VPN connection.

Virginia State University

Mapping H: Drive

Select **“Easy access”**

Virginia State University

Map Network Drive

From the “Easy access” drop down:

Select “Map as drive”
