VSU Technology Services
Security Identifier Form

Name: _____

Department: _____

Telephone Number: _____

Before an IT Service Desk representative or Technology Services staff member can reset your password or unlock your account, you will be asked to provide your security identifier information.

Please provide an answer for <u>two</u> of the questions listed below:

Name of first school attended? _____

Make and model of your first car? _____

Name of your favorite teacher? _____

Signature: _____

Please submit your security identifier information to the VSU Technology Services IT Service Desk by hand-carrying this form to Johnston Memorial Library, Room B45. You must bring a valid photo identification card to submit this information.
